On May 9th, Seldovia's City Council voted to dedicate the newly completed Water Treatment Plant to the long time Council Member Walter McInnes, whom our community lost last summer.

Please join his family and friends at the dedication ceremony of the Water Treatment Plant on Saturday June 16th at 1:30pm. You can walk the hill or catch a ride to the Water Treatment Plant.

Walter McInnes: 1931-2017

The Ceremony of Dedication will be held at the water treatment plant facility. There will be transportation available; please meet at the bottom of the Water Supply Road between 1:00 and 1:20pm for a ride to the top, otherwise for conservation of space and safety, foot traffic is requested.

Light Refreshment and Finger Foods donated by a private individual will be served.
